

A Beka Book is a Christian curriculum company and publisher that offers a complete line of traditional Christian curriculum for Nursery through twelfth grade. The curriculum is workbook-based and covers subjects such as phonics, reading, penmanship, math, science, language arts, history, and foreign languages. Abeka also produces supplemental educational materials and has created A Beka Academy which utilizes online video streaming in conjunction with their textbooks. The curriculum is structured and comprehensive, providing a clear path for students to follow and ensuring they receive a well-balanced education.
